

2020 VBS COVID-19 Guidelines

Health Screening

The first night of attendance there will be a health screening that includes some questions to answer.

Wellness Checks

Each night we will administer wellness checks upon arrival, including taking the temperature of every attendee, including adults and children.

Hygiene

Children will sanitize their hands before entering the auditorium. Hands will also be washed before snack time.

Food Service

Kitchen staff will serve the kids snacks. All snacks will be prepackaged.
